

LOOKING FOR THE BINDER & IMAGES?

WE WENT DIGITAL!

All of the educational resources accompanying the Maryland Historical Society's Traveling Trunks have been made available online.

This includes: lesson plans & binder resources, images, game boards, maps, cards, primary source documents, everything!

You can now add images directly into your power points, print lessons directly from your computer, and zoom in on the details included in the maps and images students were unable to see before!

To access these resources, all you need to do is visit this website:

<http://mdhseducation.wixsite.com/trunkportal>

You will be asked to enter the password included in your trunk reminder email.

Please let us know if you have any questions or comments. We are constantly trying to improve and adapt to the changing technology available to you and your students.

All feedback is greatly appreciated!
